YOUR EQUIPMENT

One week before the activity you should plan the equipment required. When the weather is fine, we use an outdoor track: light clothing is recommended.

When it is raining, we use an indoor track: it can be cold.

5 days before your outing, you will be sent an email asking for the following information that you must give us (**within 24 hours**): the contact details of the **lead helper, including mobile phone number**. If we do not receive this information, we reserve the **right to cancel the outing**.

Owing to the risk of neck damage due to hyper-flexion or hyper-extension, we do not recommend this activity for people with deficient torso control or who are unable to hold their head properly. The **accompanying team** is responsible for health and supervision.

CANCEL A BOOKING

Just for Smiles employs drivers who have been specially trained to guarantee safety and deliver the highest level of quality.

We request that booked sessions only be postponed in **exceptional circumstances**.

Where cancellation occurs outside the specified deadline or in the event of a no-show, Just for Smiles will **invoice the inherent costs**.

24 hours prior to your session, **you should contact your driver directly** to finalise details.

Due to the use of outdoor and indoor tracks, postponement of a session due to poor weather conditions **will not be applicable**.
